## Company Overview

**Falcon Technoprojects India Limited (FTPIL)** is a Mumbai based that specializes in **MEP ( Mechanical, Electrical, Fire fighting & Plumbing ), Fire Alarm System, Networking System, Security & Surveillance System , CCTV & Access Control System, Intercom system, Solar Rooftop PV module Installation , Solar Water Heater , Gate Automation System, Civil & Construction Work , Building painting, Sliding Window, Grill, Railing & Fabrication Work**, operating in PAN INDIA since the year of 2010 .

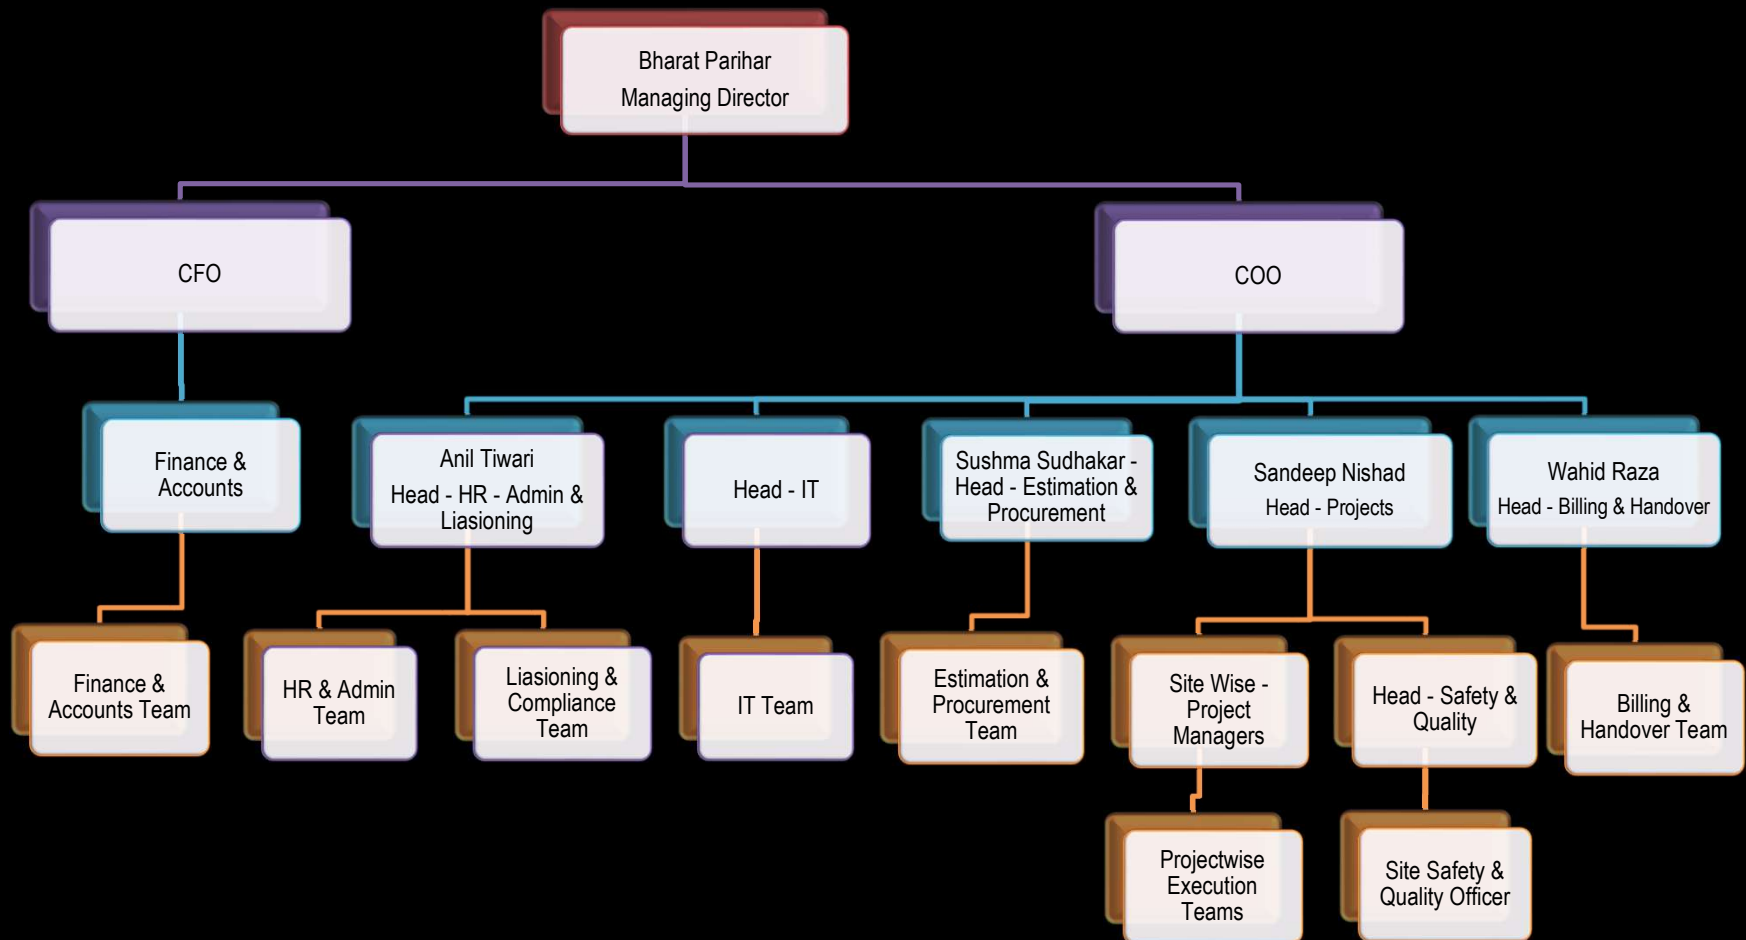

FTPIL is listed on the national stock exchange. Our biggest indicator is our adherence to good governance along with fair and transparent business practices. From the very beginning we adopted a unique approach towards our clients, catering to their specific needs and delivering upon their expectations. Behind the name of Falcon Technoprojects India Limited stands an experienced and professional team that works together to deliver and maintain the highest standards of MEP & security services.

Our highly qualified and technically competent managers, engineers and technicians, allow us to capture a sizable share of the market. We are currently executing a number of projects in different premises of commercial, residential and industrial type.

FTPIL strives to deliver the highest standards of installation, carefully paying attention to our client's ideas, collaborating in the development of the right scope of work. We develop a unique approach towards each client and each project is a never ending responsibility for us. Our commitment, as well as the commitment of our partners and clients, has contributed to the impressive accomplishments of the company. In a relatively short span of time, we completed a great number of projects and we continue to work on even more upcoming projects that vary in complexity, size and value. And regardless of the size, we commit all we have to every project we work on. It is all about our clients! FTPIL undertake all kinds of MEP & security services for the following premises:

**Commercial / Hotel / Warehouses / Factories / Hospitals / Residential / Data Center / Shopping Malls.**
